

Founding Principles

- All people are created in the image of God and should be treated with dignity and respect.
- Love your neighbor as you love yourself.
- All people are welcome regardless of race, national origin, religion, socio-economic status, physical and/or mental disability, gender, gender identity, sexual orientation, or color.
- Because all people have value, no judgment is passed; we give with no strings attached.
- We believe in providing volunteer opportunities to the families we serve.
- We believe in giving a hand up in order to provide hope for the future.
- We are committed to sound stewardship of everything we receive.

...because of the example set, and the grace given by our Lord Jesus Christ, the son of God, our Savior.
